

The Chester Civic Trust

**Event at
Bishop Lloyd's Palace**

Hungary and Romania celebration

Following the successful members visit to these two countries in May of this year, this is an evening for reminiscences and recollection that will be of interest to all members, whether they were part of the group or not.

Christine Russell will briefly remind us of the places visited, starting in Budapest and then onwards to historic cities such as Szeged, Oradea and Eger, and World Heritage Sites including the wooden churches of Maramures, and the Hortobagy National Park.

Peter Cocker will provide a slide show of images taken during the visit, and the evening will be rounded off with fine Hungarian wine and food from the region.

Those who went on the visit will have an opportunity to share their own thoughts on what they saw.

If you did not go, you are also very welcome to come along. You are guaranteed some fascinating images and descriptions of places not often visited: not to mention the food and wine and the opportunity to chat with friends.
